

**Hear this, HIV:
I'm going to take care
of me so I can take
care of those I love.**

"Staying in care and on treatment helps me to be the best mother, wife, and HIV prevention educator I can be. I tell other women living with HIV: You can overcome your fear. You deserve to live life to the fullest." — ANGIE FROM LOGANVILLE, GEORGIA

**GET IN CARE, STAY IN CARE, LIVE WELL,
AND LET'S SUPPORT OTHERS TO DO THE SAME.**
