

LET'S STOP HIV TOGETHER

“
**HIV is not beating me.
I'm beating HIV as
long as I keep taking
my medication.**
”

“The biggest benefit of being undetectable is the reassurance that I'm doing what's best for my health. I feel great. I look great. My life is so full.”

— TANISHA FROM FORT LAUDERDALE, FLORIDA

BE EMPOWERED. GET IN CARE, STAY IN CARE, AND LIVE WELL WITH HIV.
